Join ecsn...

Membership of ecsn is open to any organisation with an interest in the electronic components supply network.

We currently have the following membership classifications:

- Components Manufacturers
- Distributors (afdec)
- Distributors (General)
- Independent Sales and Marketing Organisations (Reps)
- End of Life / Re-Use
- Microbusiness (Revenue <£1M)
- Electronic Equipment Design and Manufacture (OEM, ODM, CEM)
- Associate Members
- Affiliated Members
- Investment Banks and Financial Analysts

As a “not-for-profit” organisation managed by its membership ecsn provides a very cost effective service.

A ‘typical’ authorised distributor or components manufacturer member pays fees in the range £1,650 – to - £1950 p.a. dependent on the range of statistical services they require.

To encourage participation in the Electronic Equipment Design and Manufacturing Community we are offering a very competitive pricing structure based on the development of statistical services related to their area of business.

For further information please contact [enquiries@ecsn-uk.org](mailto:enquiries@ecsn-uk.org) and request an “**ecsn Prospective Member Introduction Pack**” which has full details of the services provided by the association for its members.
